SUBJECT: FAIR PLAY FOR CUBA COMMITTEE
IS-CUBA; RA-CUBA

The FPCC National Office is located in room 329 at 799 Broadway, NYC, which building houses five organizations, subversive in character, all of which organizations are subjects of current investigations in Division IV of this office. Agents assigned to Division IV had developed a live source at this building who, on an almost monthly basis, has been able to furnish access to the quarters of the organizations in interest.

As a result, during the Spring of 1961 [REDACTED] was developed, which source furnished information concerning the books and records of the captioned organization. In all, this source to date has been contacted four times, each time having furnished invaluable information concerning the captioned organization. This source was last contacted during September, 1961.

It is anticipated that, in coordination with agents of Division IV, that this source will be recontacted on Sunday evening, 5/20/62, with particular emphasis on the correspondence and financial records of the FPCC. If approved, SAs [REDACTED] and the writer will participate.

It is requested that appropriate authority be furnished for contact of this source, as outlined above.

I. BACKGROUND

The YOUNG SOCIALIST ALLIANCE (YSA) is the youth organization of the SWP. The SWP utilizes the YSA to further its aims and goals and the YSA is considered, in addition to the action group of the SWP, as the main source of recruits into the Party. The leadership of the YSA on a national basis in NYC and throughout the U.S. on various local bases is composed of SWP members.

II. SECURITY ASPECTS

The National Headquarters, together with the NY Headquarters, and the office of the publication, "Young Socialist," are currently located at 125 Fourth Avenue, NYC. This building is a three-story edifice approximately 25 feet wide by 75 feet in depth. The second and third floors are loft premises. The first floor is occupied by the Sol Merkin Paint Company, Incorporated. The entrance to the second and third floors of the building is a door located beside the paint store. This door leads directly to stair flights to the second and third floors and is secured with a cylinder lock. This entrance does not connect with the paint store on the street level.

The YSA Headquarters are located on the second floor loft space. The YSA moved into these headquarters on 9/21/62. Numerous spot checks of the area have shown very limited pedestrian and automobile traffic after midnight. The buildings adjacent to this location between 12th and 13th Streets, on both sides of the street, are commercial establishments and lofts, and contain no residence.

It has been ascertained that the paint store at this building closes at 6:00 p.m. and that all of the commercial establishments in this area close business between 5:00 and 6:00 p.m.

By means of a suitable pretext by the writer on 9/25/62, keys were obtained to both the street entrance ~~to the second and third floor lofts~~, together with the key to the entrance of the YSA space on the second floor.

Entrance will be made between the hours of twelve midnight and 4:00 a.m., on 9/28/62 [REDACTED]

[REDACTED] In addition to the above security precautions, agents will be assigned security duty in the vicinity of 125 Fourth Avenue, and will be in radio contact with agents contacting the highly confidential source.

Security will be assured prior to entry on this assignment.
